Index to Volume 16

Abelin T, 285
Achilles paratenonitis (peritendinitis), study of fibrinectin and fibronogen, 616
ACL
  allografts, mechanical properties, 101
  deficient knee
    arthroscopic partial meniscectomy, 597
    effect of exercise, 586
  injury
    bilateral, 449
    open physes, 44
  insufficiency, pivot shift test, 571
  postoperative rehabilitation using transcutaneous electrical stimulation, 147
  prostheses, bone ingrowth evaluation, dog, 106
  reconstruction
    carbon fiber, 589
    effects of different rehabilitation regimes, 455
    GORE-TEX ligament, 321
    isometric placement of graft, 238
    long-term followup, quadriceps tendon substitute, 444
    patellar tendon, 332
      follow-up evaluation, 341
    postoperative knee stability, 434
    prosthetic graft, in vitro fibroblast seeding, 203
    synovitis following graft disruption, 301
    5 year follow-up evaluation, 170
  replacement, artificial ligament wear particles, 558
  tear
    children, 44
    with meniscal injury, 605
  tibiofemoral rotation after injury, 327
Acromioclavicular separation, surgery vs. conservative treatment, 475
Acromioplasty, arthroscopic, 48
Aerobic dance injuries, prevalence and types, 403
Aglietti P, 597
Ahstrom JP Jr, 306
Albright JP, S-1, S-5, S-10, S-124
Alexander MJ, 475
Allen AA, 106
Allografts, ACL, effect of processing techniques, goat study, 101
Anabolic steroids
  effect on connective tissues, 153
  exercise, and protein supplementation, effects on pathologic changes in tissue and organ systems, 397
Andrews JR, S-97, S-113
Anesthesia, bupivacaine, knee arthroscopy, 295
Animal studies
  dog
    ACL prosthetic graft, in vitro fibroblast seeding, 203
    bone ingrowth in ligament prostheses, 106
  goat, ACL allografts, 101
  monkey
    ACL rehabilitation, 147
    effect of anabolic steroids on connective tissue, 153
  pig, carbon fiber ACL prostheses, 589
  rabbit
    artificial ligament wear particles, 558
    exercise-induced compartment syndrome, 610
    muscle biomechanics, 1
  rat, effect of nonsteroidal antiinflammatory drugs on ligament healing, 641
  sheep, meniscal blood flow, 429
Ankle
  injuries
    lateral ligament, 256
    stabilization techniques, 228
  instability, lateral, surgical treatment, 501
  stabilization by taping versus laced support, 228
Announcements, 88, 198, 311, 425, 552, 688
Antagonist musculature, knee stability, 113
Antao NA, 82
Anterior compartment syndrome, pressure measurement diagnosis, 143
Antich TJ, 217, 332
Antonelli DJ, 481
AOSSM
  annual meeting, 551
  presidential address, 555
